

# International Symposium on Solar Cells and Solar Fuels

December 10-12, 2008, Dalian, China

## Research Topics

- Dye sensitized solar cells
- Thin film solar cells
- Charge transfer materials
- Bulk heterojunction solar cells
- Photoinduced electron/energy transfer
- Supramolecular photochemistry
- Catalytic water oxidation
- Photocatalytic hydrogen generation
- Photocatalytic water splitting
- Hydrogenases and active site models
- Photosystem II and OEC models

## Organizers

**Prof. Xiaojun Peng**

State Key Laboratory of Fine Chemicals  
Dalian University of Technology (DUT), China

**Prof. Licheng Sun**

Department of Chemistry  
Royal Institute of Technology (KTH), Sweden

**Prof. Can Li**

State Key Laboratory of Catalysis  
Dalian Institute of Chemical Physics (DICP), China

## Symposium Secretariat:

**Prof. Tingli Ma, DUT**

**Assoc. Prof. Xichuan Yang, DUT**

**Dr. Ruikui Chen, HeptaChroma**

**Mr. Gang Xu, DICP**

**Mr. Qing Xu, DICP**

**Ms. Yanqiu Dai, DUT**

**Ms. Yu Wang, DUT**

## Invited speakers

**Prof. Michael Grätzel, EPFL, Switzerland**

**Prof. Anders Hagfeldt, Uppsala University, Sweden**

**Prof. Lars Kloo, KTH, Sweden**

**Prof. Gerald J. Meyer, Johns Hopkins University, USA**

**Dr. Vincent Artero, CEA-CNRS-Université J. Fourier, France**

**Prof. Hiroshi Imahori, Kyoto University, Japan**

**Prof. Satoshi Uchida, University of Tokyo, Japan**

**Prof. Shozo Yanagida, Osaka University, Japan**

**Dr. Tsuyosi Takata, University of Tokyo, Japan**

**Prof. Jaejung Ko, Korea University, Korea**

**Prof. Chun-Guey Wu, National Central University, Taiwan**

**Prof. Qing Wang, National University of Singapore, Singapore**

**Prof. Chen-Ho Tung, Technical Institute of Physics and Chemistry, CAS, China**

**Prof. Can Li, Dalian Institute of Chemical Physics, CAS, China**

**Prof. Peng Wang, Changchun Institute of Applied Chemistry, CAS, China**

**Prof. Zhong-Sheng Wang, Fudan University, Shanghai, China**

**Prof. Daibing Kuang, Zhongshan University, GuangZhou, China**

**Prof. Hong Lin, Tsinghua University, Beijing, China**

**Prof. Mei Wang, Dalian University of Technology, Dalian, China**

**Dr. Jun Chen, Nankai University, Tianjin, China**

...

## Registration and Abstract Submission:

Scientific contribution in the form of oral or poster presentation should be sent by email ([solar@dlut.edu.cn](mailto:solar@dlut.edu.cn)) to the symposium secretariat with a short abstract within one page (A4).

For details regarding the registration fee, symposium venue, hotel information etc, please contact the symposium secretariat or from the symposium website.

## Deadlines:

Abstract submission: November 10, 2008

Registration of participation: November 28, 2008
