SOLAR CELLS

14 - 16 June, 2006
KANDY, SRI LANKA

Organized by
POSTGRADUATE INSTITUTE OF
SCIENCE & FACULTY OF SCIENCE
University of Peradeniya
SRI LANKA

Conference website :

SCOPE

The global need for the utilization of renewable energy resources demands extensive research activities and discussions on Solar Energy Materials and Solar Cells. The Asian Conference on Solar Energy Materials and Solar Cells (ACSEMSC) will provide a platform for scientists, engineers and entrepreneurs from around the world for discussions on latest developments in Solar Energy Materials and Solar Cells.

Specific areas to be covered are:
• Novel materials for Solar Cells
• Molecular and nanostructured Solar Cells
• Inorganic Solar Cells
• Polymer Solar Cells
• Dye-sensitized Solar Cells
• Photochromic Materials
• Solar Panels and Solar Thermal devices

The conference will provide an international forum for presenting research papers and in-depth discussions by scientists from Asia and other countries on recent developments in solar energy materials, devices and their applications.

VENUE
The venue of the conference is the Postgraduate Institute of Science (PGIS), University of Peradeniya, Sri Lanka.

Sri Lanka lies in the tropics, south of India. Its fascinating variety in climate and landscape, and rich cultural heritage has, for many centuries attracted travellers from all over the world. It still continues to do so offering a diversity of attractions and a way of life which combines a dynamic present with a tradition-bound past.

The PGIS is situated in Kandy, the picturesque hill capital of Sri Lanka. The temperature hovers around 25°C (75°F). Nestling midst low hills and looped by the island’s longest river, Kandy is still the house of arts and crafts, music, dance and song which flourished during the reign of Kings.

CALL FOR ABSTRACTS AND PAPERS

Abstracts
Those who wish to participate should submit a one-page abstract not exceeding 300 words in MS Word format as an e-mail attachment to: acsemsc@pgis.lk before 15th February 2006. At least one author of each abstract should register for the conference.

Papers
Manuscripts should also be submitted electronically in MS word format as an email attachment to acsemsc@pgis.lk before 15th April 2006. Guidelines for preparing full papers can be found at the conference website: http://www.acssi10.pgis.lk/acsemsc. All accepted papers will be published as conference proceedings or in a special volume of Ceylon Journal of Science (Physical Sciences).
